

EAGLE

NINETEEN SEVENTY TWO

Diane,
 I have been a remarkable
 change in your this
 year, you've lost your
 anxiety. I know this pain
 on you can stand your life
 Remember this year in physics.
 (or) as the Jane during
 and me as

Diane,
 The time is drawing
 nigh that we will ~~go~~ our separate
 ways. Whenever you go, always strive
 for the best because you deserve
 nothing less. Never forget physics
 and the great codes of H.S.
 It's been nice having you as a
 class mate. I'll always
 remember you and your
 dentist appointments. Be
 good if at all possible.
 Bon Chance
 Sharons

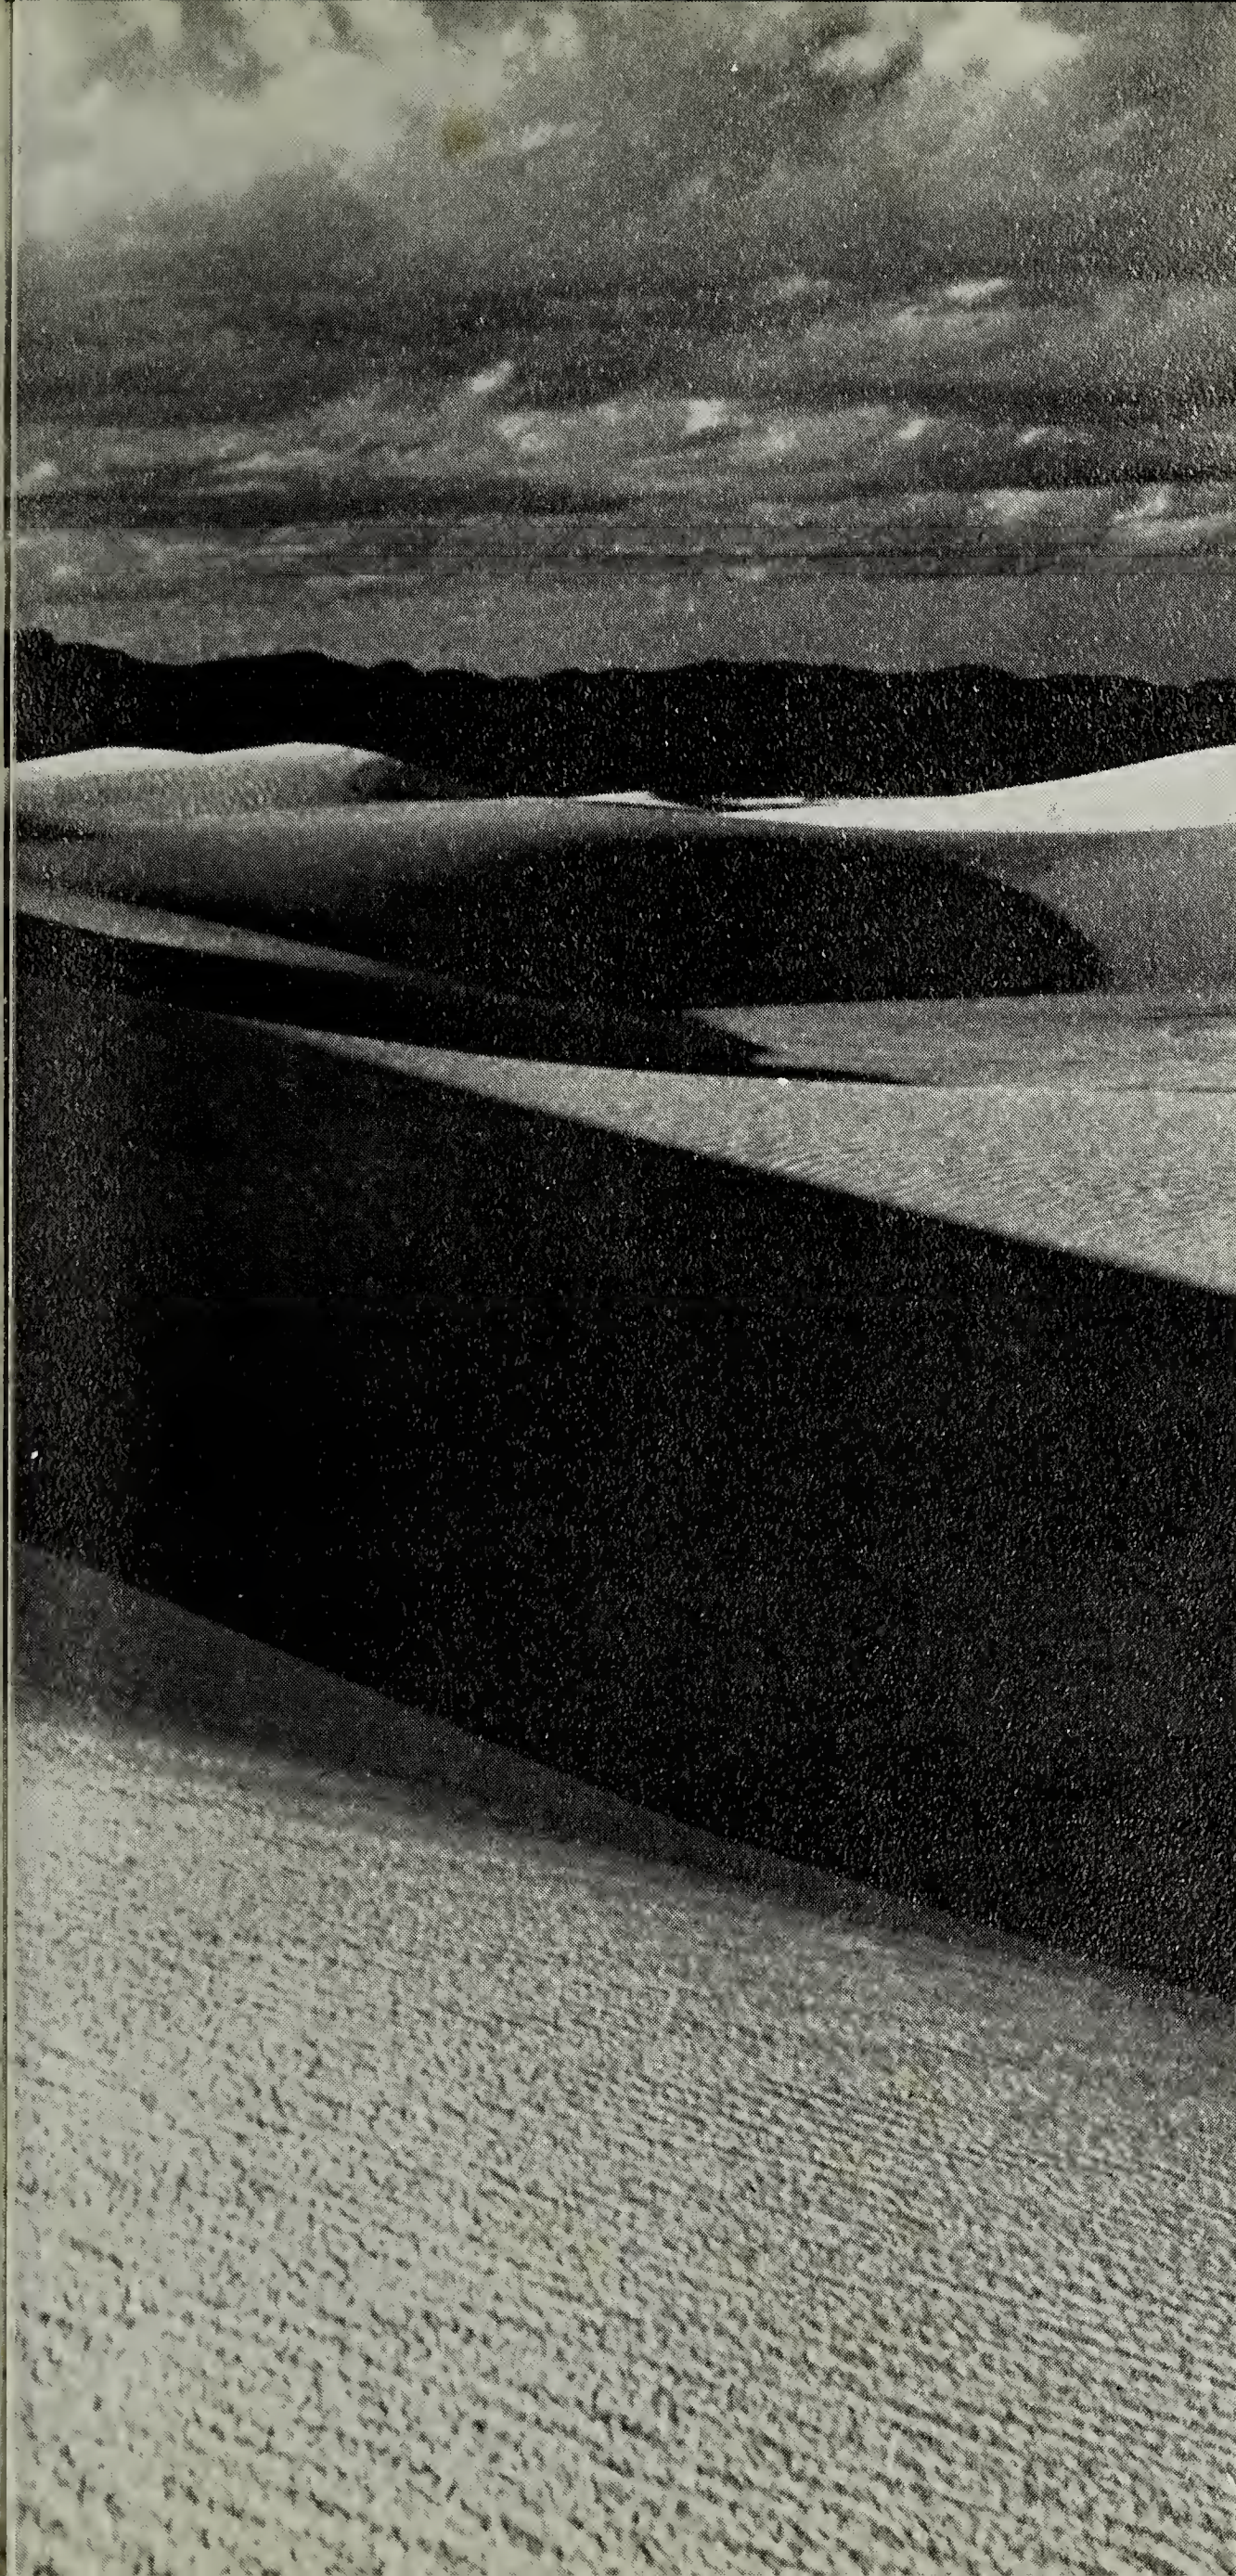

Diane,
 The next 12 years are almost
 over at P.H.S. Let really
 do on it. Be good next year and
 it is. Be good next year and
 I'm sure you'll make plenty of friends.
 Never forget the great times we have
 had in school but especially on some of
 those Sunday afternoons. Good luck always
 in everything you attempt to do. Be sure to
 write to me next at Goldy Beach. Have a great
 summer up to the factory, sewing and don't
 listen to too much gossip.
 a friend always,
 Cornie

Diane,
 We have made through twelve
 years of bliss - HA! Never forget our
 Humanities class & me - how could you?
 Take Care in the future but always
 have fun. Until then, Bonnie "72"

Diane,
 It's been great! What else can I say? There
 have been so many incidents in our daily lives
 here which were passed off without a thought, but
 when you stop to think about it, these are the ones
 of which life is really composed.

You are a great person and deserve the
 best in life. I hope you attain every goal
 which you set for yourself. Never forget
 the "fun" times in P.H.S. as well as
 the good old H.S. Keep in touch
 Love, Mild

Dear Justis

and, departing, leave
behind us
Footprints on the sands
of time.

The senior class of 1972 of Parksley High School wishes to take this opportunity to express our sincere appreciation to our principal, Mr. Jack Gray. After only one year, he has won the respect and admiration of all the students of P. H. S. Not only has he carried out his duties as principal with much competence and authority, but also has shown patience and understanding in supporting us and our activities, showing great enthusiasm for the betterment of our school. Therefore, it is with gratitude we dedicate this yearbook to Mr. Jack Gray.

DEDICATION

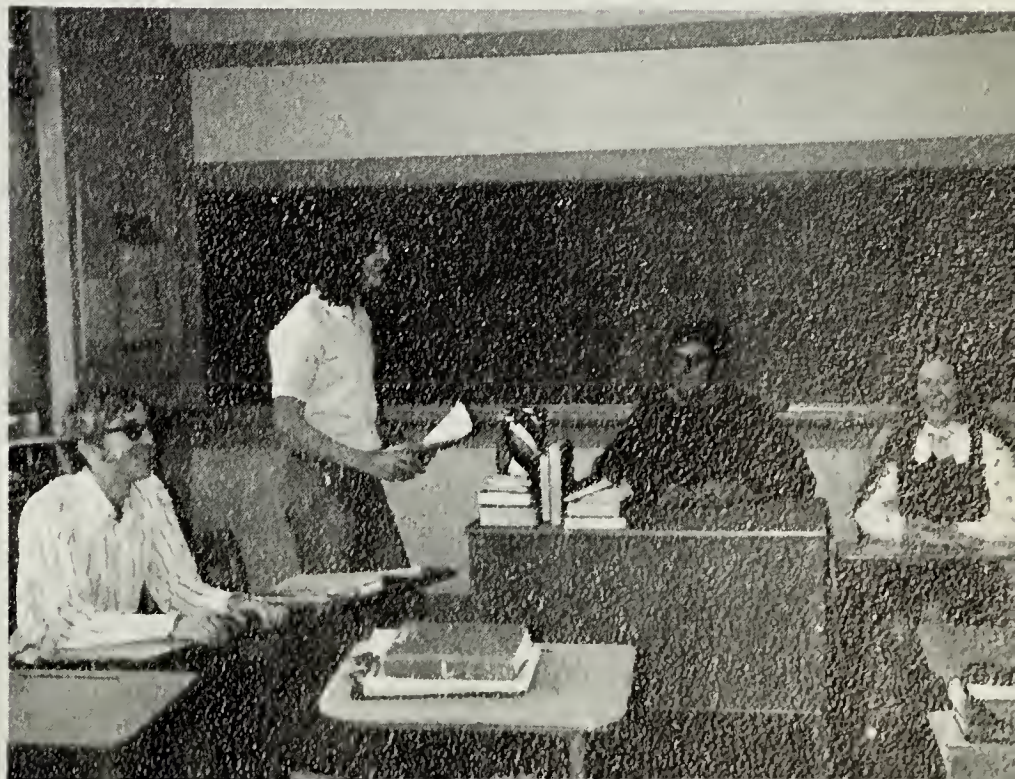

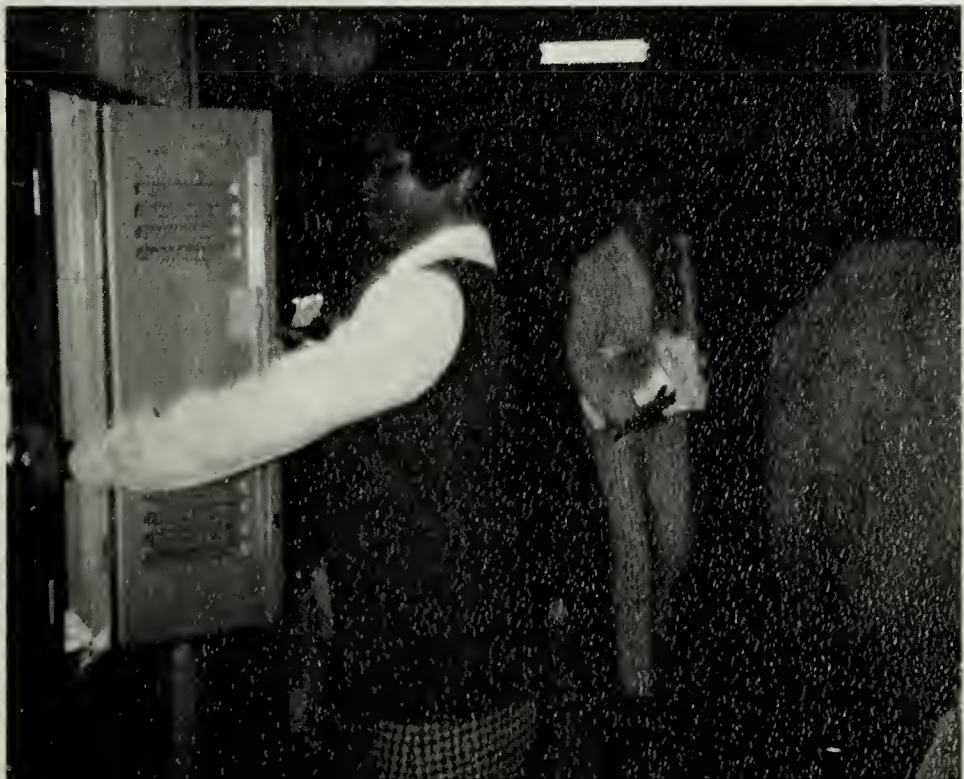

A DAY IN THE LIFE

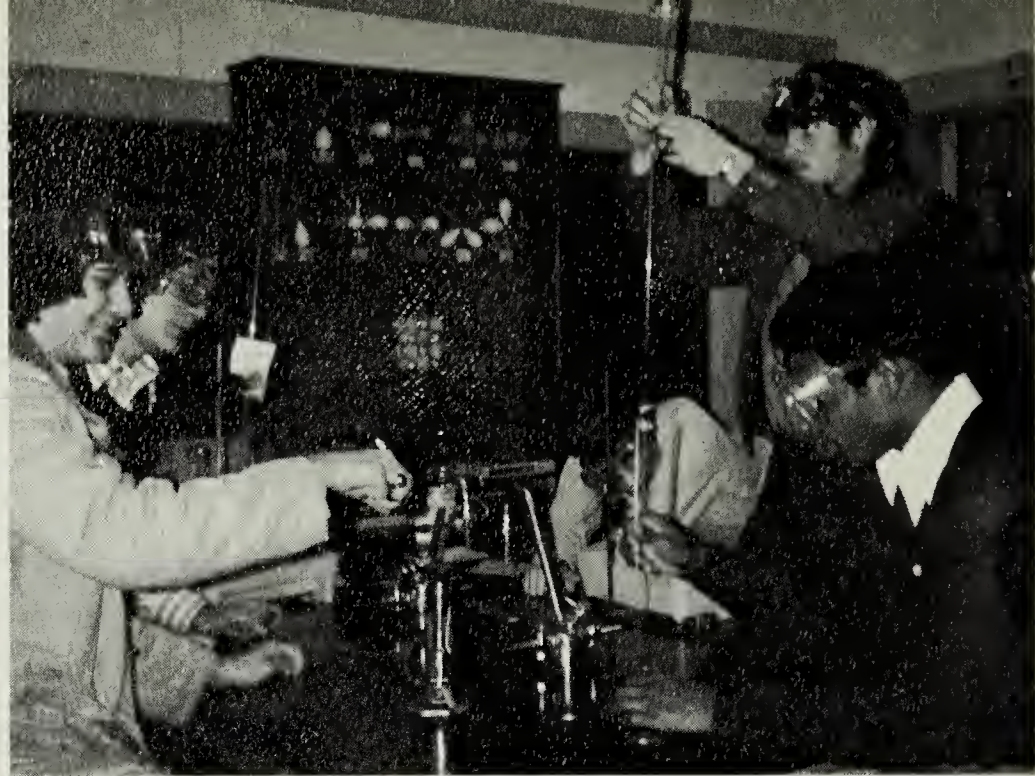

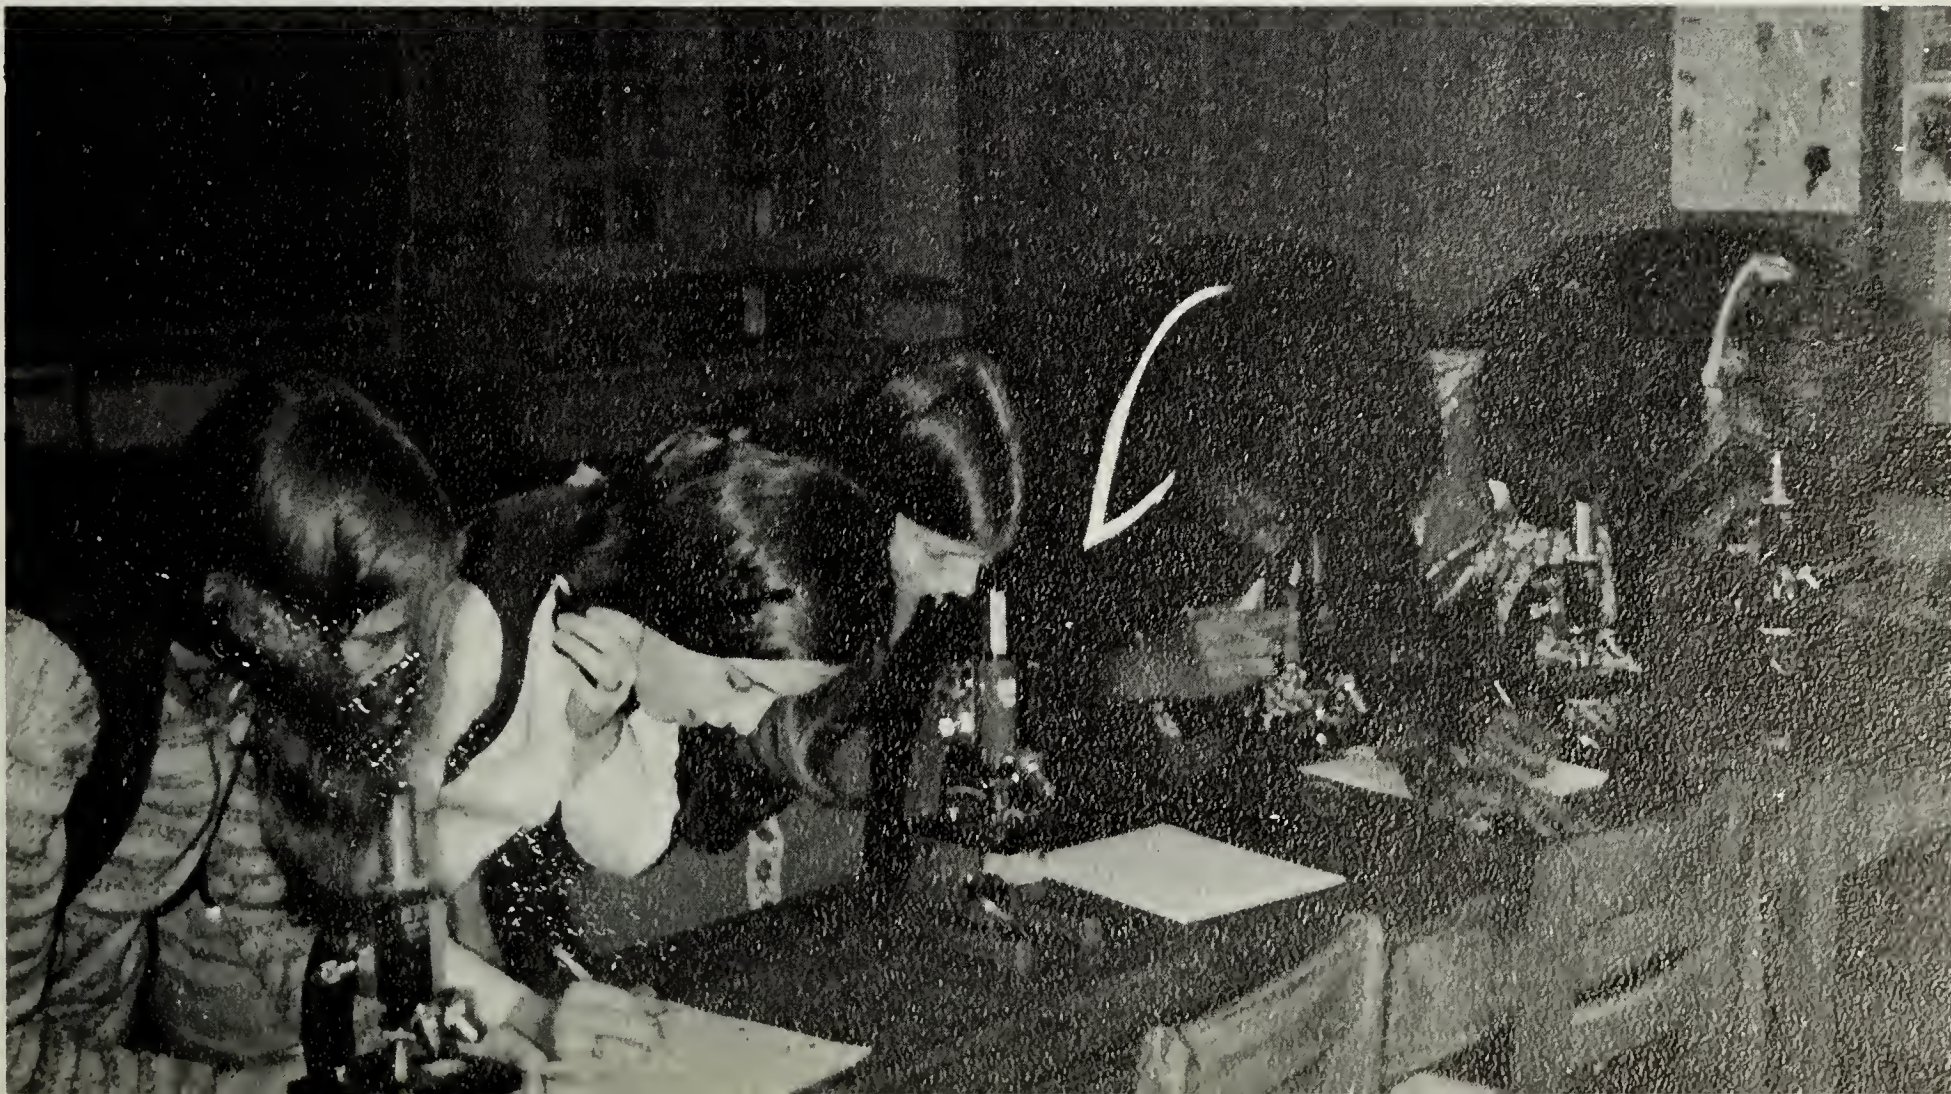

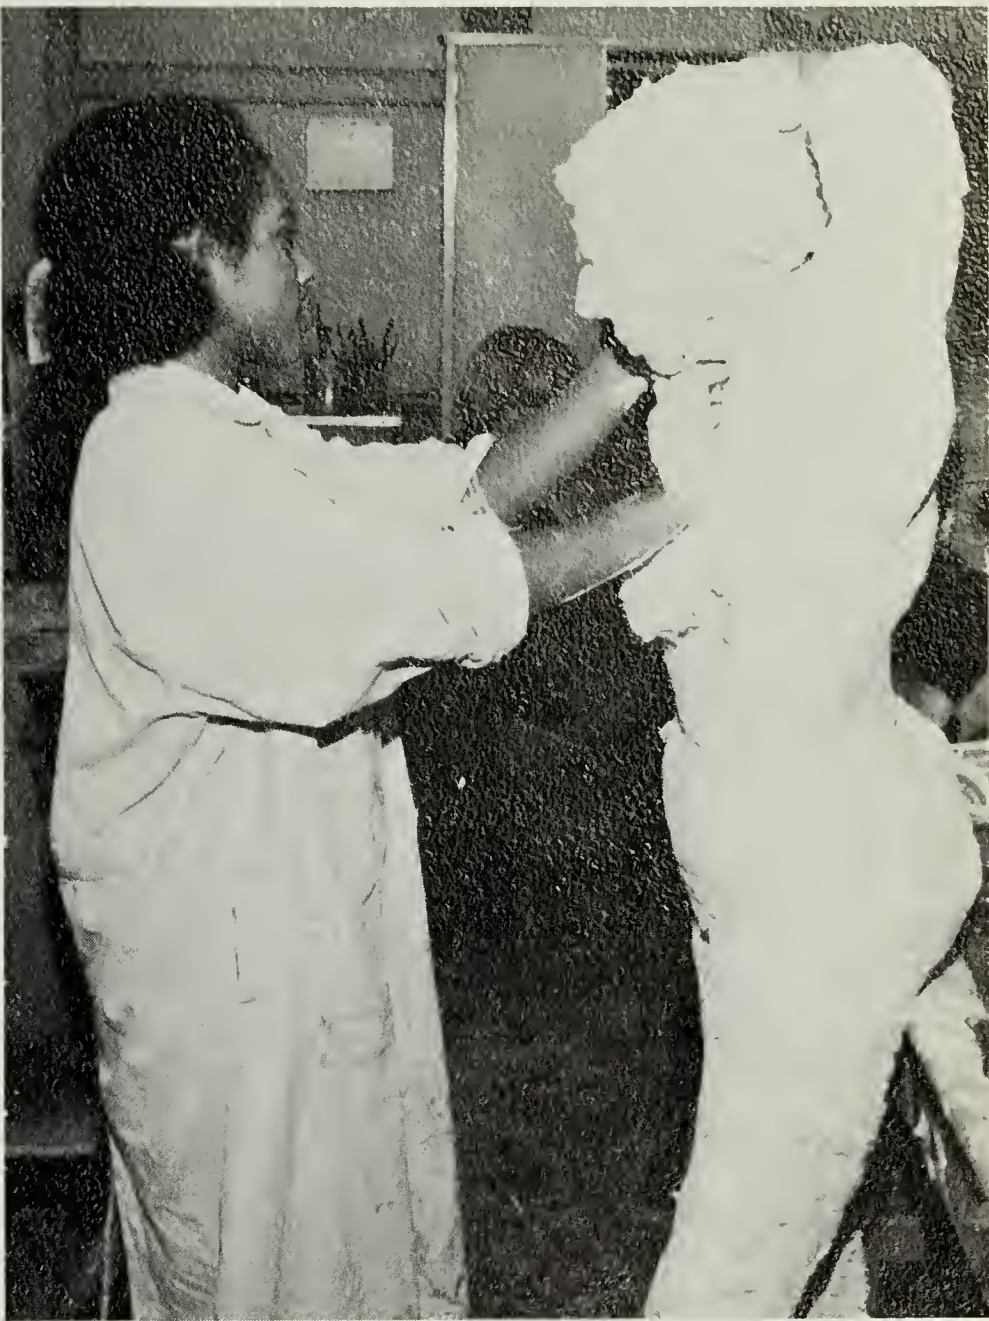

Looking back on the past twelve years, each individual senior sees things a little differently. However, as one examines the past more clearly, he realizes that these years were not composed of a succession of important events, but of everyday happenings which may seem quite trivial. So, at this time we pause to reflect on "a day in the life at P. H. S. "

Too often the everyday occurrences in life become a habit. Everyone, at some time if not always, has been guilty of moving through life unaware of the changes about him, not realizing that every minute of the day is a small building block in life. Soon, this portion of our lives will be over. Classmates who have spent many happy hours learning, developing abilities for leadership, acquiring friends and forming characteristics for good citizenship, will be leaving the safe little world of Parksley and enter into the hard world outside.

Some day each of us will look back and wonder how it passed so quickly. Then, we will understand how important things really are to the fulfillment of life.

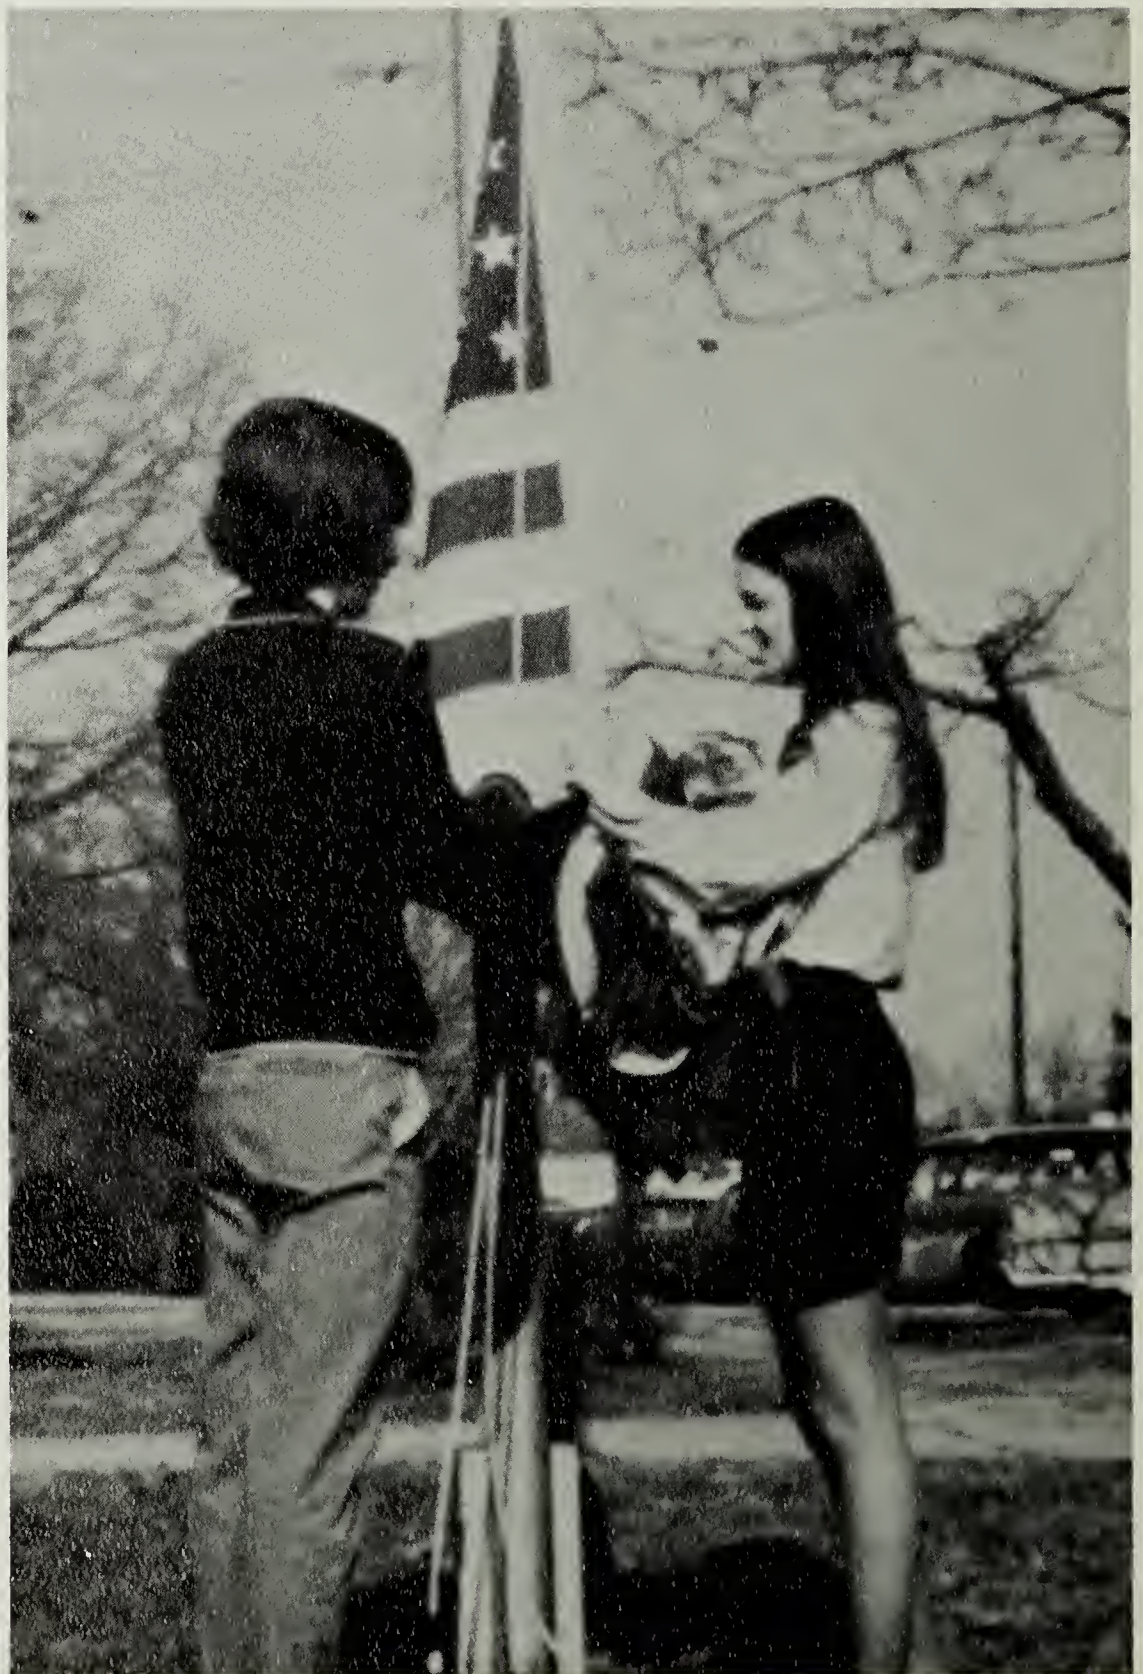

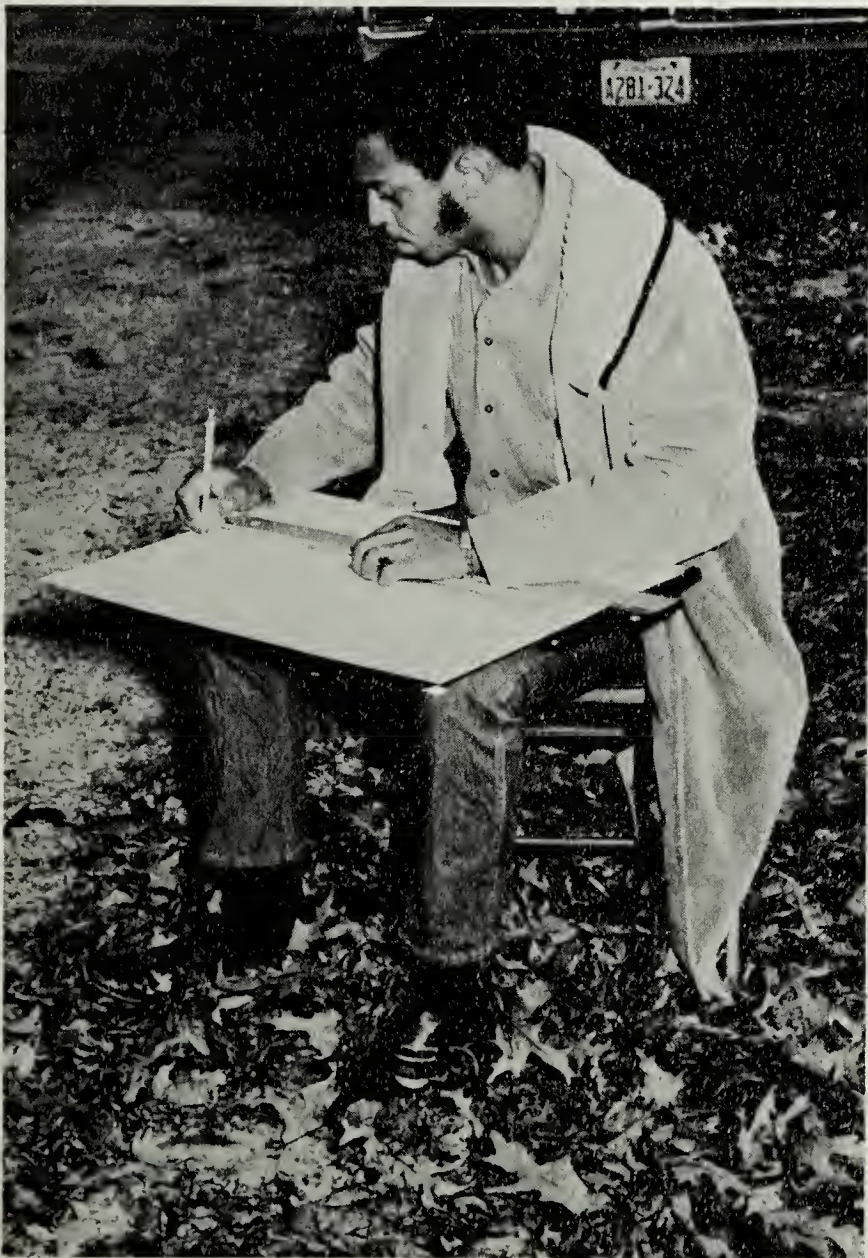

Time! what an empty vapor 'tis!
 And days, how swift they are:
 Swift as an Indian arrow-
 Fly on like a shooting star;
 The present moment just is here,
 Then slides away in haste,
 That we can never say they're ours,
 But only say they're past.

Ally Diane Trustis,

It has been a pleasure knowing you these past few years. Too bad you always beat me on those history tests or I would really rub it in. Remember me as a friend and a member of the great class of '73"

BACKWARD, TURN BACKWARD
O TIME IN YOUR FLIGHT
MAKE ME A CHILD AGAIN
JUST FOR TONIGHT

Elizabeth A. Allen

It is with pleasure that we present the 1972 EAGLE to Parksley High. I'm sure I can speak for the entire staff in saying that it has not been fun at all times, but that the final product is well worth the sacrifices. Editing this year has been an enjoyable and rewarding opportunity. We hope this book will bring into your lives a little extra happiness in the coming years when you can look back on a few of the many fond memories of dear P.H.S.

I would like to thank the faculty and the annual staff for making it all possible. Without our sponsors, Mrs. Probasco and Miss Thompson, we could not have been successful; to them we extend a special note of thanks.

*Di,
Well, I don't know what to say. I guess I could say I'll be around here next year, but.....! Or I could say that I hope you'll do well at N.W., but..... Or I could simply say good luck in the future, but..... Or I could say that you are indeed one of the nicest persons I know, but..... Or I could say that I couldn't ask for a better friend, but..... And I could say that all of the former "buts" are a piece of bull, but.....*

well, anyway, Remember me as a nutty friend and member of the "class of '73."
